

The ability to plan and to move quickly in this fast-paced world is essential. Copyboards help businesses focus better, eliminate errors and wasted time. The wall-mounted copyboards offer large writing surfaces, easy-to-read, with plenty of space to write ideas. Simply turn it on to record whatever is on the board. Ready at all times, securely mounted to the wall, the Q03000 and Q03200 electronic copyboards keep you prepared. Indispensable for well-equipped board rooms, meeting rooms, and training rooms.
