

**Lot 23 J. ANGELI & CO. SAN FRANCISCO** 7  $\frac{3}{4}$ " with single applied top. Ex- Homer, Van Brocklin collections. 1868-72. One of the earliest of the western flasks, it is believed there are only around eight or so of these known. This is a super example in a medium deep amber. Made just a couple years after the highly sought after horizontal Wormser Bros. Flask, we can't over emphasize the rarity and desirability of this beauty. This example has been cleaned and besides just a hint of random wear, is About Mint. This is the second example we've sold of this flask and might be the last. Here's your chance to own the very best in western glass. Est. \$8000-12000. MB \$7000.

**Lot 24 SILVER GATE SODA WORKS SCHNEPP BROS.** 8" Crown top. A rare soda, this one has a  $\frac{1}{4}$ " pressure type ding in the top. Has overall wear and grades average. Est. \$30-50. MB \$20.

**Lot 27 E.L. BILLINGS SACRAMENTO CAL** gravitator style soda. 7 1/8". Applied top. Applied top. A well known hutch, this is a nice darker green aqua than most. Has some crudity and grades About Mint. Est. \$40-80. MB \$40.

**Lot 28 H&M EUREKA CAL HUTCH 7"** with tooled top. An early 80's hutch with the later style top. Listed as extremely rare, here's a good one in About Mint condition. Est. \$100-200. MB \$50.

**Lot 29 ARCATA SODA WORKS B.P. 6 3/4"** A tooled top example listed as rare. First one we've sold. This one has some nice bubbles and overall crudity. A rare hutch and About Mint. Est. \$50-100. MB \$450.

**Lot 30 E. POSTENS & CO. PROVIDENCE R.I. 7 1/4"** Gravitator style soda. A rare example from the tiny state of Rhode Island. For those of you who are looking to complete that collection of sodas from every state, here's your chance to include R.I.. First one we've sold or seen. Grades About Mint. Est. \$100-200. MB \$50.

**Lot 31 OWEN CASEY EAGLE SODA WORKS SAC CITY 7 1/8"** The first in a series of Owen Casey's, this example is a sapphire aqua color. Appears to have been cleaned, it grades About Mint. Est. \$50-100. MB \$40.

**Lot 32 OWEN CASEY EAGLE SODA WORKS SAC CITY 7 1/4"** Here's a beautiful example in a light to medium sapphire blue. Has a light green streak running through it, a ton of whittle and is overall almost unimprovable. Super example. Grades About Mint with just a hint of wear. Est. \$100-150. MB \$60.

**Lot 33 OWEN CASEY EAGLE SODA WORKS SAC CITY 7 1/4"** Another example, this one is bluish peacock color. Probably cleaned, it has some nice whittle and is overall About Mint. Est. \$70-120. MB \$50.

**Lot 34 OWEN CASEY EAGLE SODA WORKS SAC CITY 7"** A brilliant light to medium blue example, this has lots of whittle and vibrant color. Probably cleaned. About Mint. Est. \$50-100. MB \$50.

**Lot 35 OWEN CASEY EAGLE SODA WORKS SAC CITY 7 1/4"** A deeper blue than the previous lot, here's a solid example with a deep blue streak running through the back and a big fat top. About Mint. Est. \$50-120. MB \$50.

**Lot 36 OWEN CASEY EAGLE SODA WORKS SAC CITY 7"** Last but not least, here's the one everyone is looking for. A brilliant green coloration, there's one of these for every hundred of the other colors combined. Probably cleaned, this one has some nice overall crudity and is About Mint. Est. \$100-200. MB \$100.

**Lot 37 C&K EAGLE WORKS SAC CITY 7 1/8"** A particularly brilliant example of this popular Sacramento soda. Has a few scratches and a little wear and was probably cleaned. Grades Near Mint. Est. \$50-100. MB \$50.

**Lot 38 NAPA SODA PHIL CADUC NATURAL MINERAL WATER. 7"** A pretty example in a deep blue. A nice example with just a couple scratches, grades About Mint. Est. \$50-100. MB \$40.

**Lot 39 CLASSEN & CO. SPARKLING** with crossed anchors. 7 5/8" A light and beautiful sapphire example with lots of whittle and crudity. Probably cleaned, these are a terrific soda from San Francisco. About Mint. Est. \$100-200. MB \$100.

**Lot 40 TAYLOR & CO SODA WATERS SAN FRANCISCO EUREKA** with pontil. 6 3/4" Probably lightly cleaned, a good example with some light scratches. These are never perfect and this comes pretty close to as good your going to get. Good whittle and usual crudity, Near Mint. Est. \$200-300. MB \$200.

**Lot 41 WILLIAMS & SEVERANCE SAN FRANCISCO CAL** with pontil. 7 1/4" Here's one for you condition freaks. It's not often you see a pontiled soda in this condition but here it is. My goodness, it looks as if it was found in an attic. Doesn't appear to be cleaned and if you can find a better one, go for it. Top possible specimen with a crude top. Can't call it Mint but it's close. Est. \$300-500. MB \$200.

**Lot 42 W.H. BURT SAN FRANCISCO** 7 1/4" And another example in superb condition, aside from a few scratches, this one has all the graphite intact and is immaculate. Can't call it Mint but it's as close as a pontiled soda can get. A real beauty. Est. \$200-300. MB \$150.

**Lot 43 A.W. CUDWORTH & CO SAN FRANCISCO CAL 7 1/8"**

These last three sodas all came from the same collection and they must have been found in an attic or put together by a real condition freak. This is another uncleaned beauty, grades practically Mint with all graphite intact. Est. \$150-250. MB \$100.

**Lot 44 B & G SAN FRANCISCO SUPERIOR MINERAL WATER 7"**

Here's a beauty of a B&G in a medium cobalt blue. Has a nice donut style top and is About Mint. Another great condition soda from a high end collection. Est. \$150-250. MB \$100.

**Lot 45 CHASE & CO. MINERAL WATER SAN FRANCISCO CAL. 7**

**1/2"**. I know we're getting redundant here but here's another gorgeous uncleaned sparkler with all the original graphite intact. A few tiny scratches but about as good as they come. Practically Mint—not bad for a bottle made during the mid 19<sup>th</sup> century. Est. \$150-250. MB \$100.

**Lot 46 J&A DEARBORN NEW YORK MINERAL WATER 7 1/4"**

Graphite pontil. Eight sided with embossed star. These next three lots are from a collection where condition wasn't just a concern, it was EVERYTHING. We obtained these from the person who got them from an old time collection—attic finds undoubtedly. This first example is simply as good as they come. With the exception of a 1/4" scratch on the base, this one could just about qualify as Mint. It's that good. There is still some dirt around the star. If you're looking for the very, very best, these next three are it. Est. \$250-500. MB \$250.

**Lot 47 CRUMP & FOX BERNARDSTON MASS SUPERIOR SODA WATER.** 7 1/8" Once again, a crude example with whittle and bubbles and...you got it, just about perfect condition. Nice top and overall appeal, all graphite intact. Remember, you're bidding on the best. Almost Mint. Est. \$250-500. MB \$200. A rare soda.

**Lot 48 E.S. & H HART SUPERIOR SODA WATER UNION GLASS WORKS** 7 1/4" And yet the final offering of these almost attic mint sodas. It's amazing to think that after 150 years, a bottle that should have been used at least a hundred times could look like this. Another unimprovable beautiful blue example, you are bidding on the very best. Est. \$250-500. MB \$200.

**LOT 49 MISSISQUOI A SPRINGS MINERAL WATER WITH EMBOSSED SQUAW AND PAPOOSE** 9 1/2" 1870-80 Tucker V-17A. A scarce yellowish green mineral water, this one appears to have had a light cleaning. Aside from just a hint of roughness on the lip and a few scratches, grades Near Mint. Very appealing bottle with great embossing. One of the better designs of any American bottle. Est. \$200-400. MB \$200.

**Lot 50 CONGRESS SPRINGS CO. SARATOGA, N.Y** Tucker C-19. Quart 7 3/4" Aside from a scratch or two, this one is nearly Mint. Is shiny but doesn't appear to be cleaned. Has whittle and nice color. Est. \$40-70. MB \$30.

**Lot 51 TORPEDO SODA WATER STAND N.Y.S. CO. PAT APPL'D FOR** on base. 5" high. These are getting harder to find and this is a good one. Believe the NYS stands for New York Silver Company. Here's your chance to stand that bottle up and be counted. Grades about perfect. Est. \$100-200. MB \$50.
