It's More Than Just the Event

2008 HOUSE OF DELEGATES AND ANNUAL SCIENTIFIC MEETING

June 23 - 29, 2008
Crowne Plaza Beach Resort
Hilton Head Island, SC

Invitation to AAPS Diplomates, Members, and Colleagues

The 2008 House of Delegates and Annual Scientific Meeting is directed to physicians in specialties represented by AAPS. We invite you to join your fellow Diplomates, Members, and other professionals in discussions of trauma care. Plan to attend the meeting and earn CME credit while networking with other professionals in your specialty. In addition, the Annual Scientific Meeting is an opportunity to conduct the business of the Association, affiliated Academies of Medicine, and ABPS Boards of Certification. Families and friends are invited to enjoy recreational activities that the area and hotel offer. ***See you in Hilton Head!***

Accreditation Statement

The American Association of Physician Specialists, Inc. (AAPS), is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education to physicians.

CME Credit Statement

The AAPS designates this education activity for a maximum of 16 Category 1 Credits toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit actually spent in the activity.

Overall Meeting Objectives

- To provide physician specialists with up-to-date information regarding trauma care.
- To provide a forum in which to discuss developing and emerging issues in their area of specialty or sub-specialty.
- To plan and conduct business that will further strengthen the mission of the AAPS, its affiliated Academies of Medicine, and its Boards of Certification.
- To encourage collegial relations that enable individual members to pursue their professional goals of participation in the Association's activities.

Intended Audience

AAPS Diplomates and Members in:

Anesthesiology	Internal Medicine
Dermatology	Psychiatry
Diagnostic Radiology	Obstetrics & Gynecology
Disaster Medicine	Ophthalmology
Emergency Medicine	Orthopedic Surgery
Family Practice	Plastic & Reconstructive Surgery
Family Practice/OB	Radiation Oncology
Geriatric Medicine	Surgery

REGISTRATION INFORMATION

All attendees must register for the 2008 House of Delegates and Annual Scientific Meeting in order to attend any business meetings, continuing medical education activities, and/or examination development sessions. All persons attending the meeting are required to register and pay the entire registration fee regardless of purpose or the number of meetings attended.

To be considered registered for the Annual Meeting, all fees must be paid in full by the registration deadline of April 28, 2008.

Every effort is made to ensure the speakers noted in this brochure appear, but changes beyond the sponsor's control may occur. The sponsor is not responsible for notifying registrants of program changes prior to the meeting.

Physician Registration includes business meetings, scientific sessions, conference materials, breakfasts, breaks, luncheons, Welcome Reception, and the President's Reception and Awards Dinner, as indicated in the program.

Non-Member CME Only registration includes scientific sessions, conference materials, breakfasts, breaks, and luncheons, as indicated in the program.

Registration for Spouse/Guests/Children includes breakfasts, Welcome Reception, the President's Reception and Awards Dinner, and meeting name badges. Lunches are not included.

Confirmation of Registration A confirmation letter will be mailed within two (2) weeks of receipt of your registration form and fees. Please retain copies of your registration information. If you do not receive a confirmation letter, please contact the AAPS Executive Offices immediately.

Meeting Attendance and Cancellation Policy All persons attending AAPS meetings are required to register and pay the entire registration fee regardless of purpose or the number of meetings attended. Written cancellation must be received by AAPS prior to the registration cut-off, April 28, 2008, in order to receive a full refund of Meeting Registration Fees. Written cancellations received after April 28, 2008, may receive a credit towards a future AAPS meeting.

Faculty Disclosure The American Association of Physician Specialists, Inc., believes in full disclosure. Each faculty member or sponsor is required to disclose real or apparent conflicts of interest relating to topics of this educational activity as well as disclosure of unlabeled/unapproved uses of drugs or devices during their presentation(s). Faculty disclosure will be made to all participants in the educational activity materials and at the beginning of each presentation.

Unapproved or Off-Label Use Disclosure Speakers must also disclose to the attendees when products or procedures being discussed are off-label, experimental, and/or investigational (not FDA approved), and any limitations on the information that is presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinion.

MEDICAL ETHICS COURSE

MEDICAL ETHICS COURSE

Medical Ethics:

Practical Issues and Approaches

Presented by: Mark Pastin, Ph.D

This course provides a solid conceptual grounding in medical ethics, while focusing on practical issues and tested approaches for resolving such issues. This course satisfies a professional development requirement for fulfilling, in part, Board recertification of the American Board of Physician Specialties of the American Association of Physician Specialists, Inc.

Course Objectives:

Upon completion of this program participants should be able to:

1. Understand the theoretical and historical foundations of medical ethics;
2. Engage in allocation of resources decisions;
3. Apply ethical decision-making tools to actual circumstances;
4. Understand the appropriate roles of medical ethics/bioethics committees and be able to constructively contribute to these committees;
5. Recognize the stakeholders in medical ethics decisions and weigh stakeholder ethical perspectives; and
6. Guide public discussion of medical ethics issues and explain the perspectives of medical professionals on such issues.
