NICKY'S FAMILY NICKYHO RODINA

SK–CZ >< 2010 >< 35 MM >< COL. >< 90 MIN. >< DOCUMENTARY

The film Nicky's Family is a free sequel to the famous documentary Nicholas Winton – The Power of Good about Nicholas Winton from the UK who in 1939 saved 669 mainly Jewish children from being sent on transports of death starting from Prague and found them new homes in England. His heroic deed has no equivalent in history. The new documentary captures the striking response to the actions of Mr. Winton from all over the world and shows how students in different countries, who were inspired by him, have decided to do good.
